Declaration

We hereby declare that the manuscript has never been published before (in part or as a whole), nor has it ever been sent to be published elsewhere (except for summaries of not more than 400 words).

We hereby declare that all graphs and photographs used in this paper are either of our authorship, or we obtained their authors' consent to have them published in our paper.

We hereby declare that this paper does not infringe on the copyrights of other individuals. In the case of photographs of individuals facilitating their identification, we understand that it is necessary to enclose a written consent of these persons to have them published.

We hereby declare that we have become acquainted with the regulations concerning the procedure of sending in manuscripts for publication in the journal, "LogForum" and we realize that we are obliged to follow it.

Conflict of interests

We hereby declare that we are not financially bound to or dependent on, any organisation or any party having a direct financial contribution to the object of the study or materials tested in a given study (e.g. by employment, consultancy, holding of shares, fees), except for those mentioned in the attachment. We understand that every subsidy for studies or the project has to be listed below the last chapter of the paper.

Transfer of copyrights

We hereby declare that we transfer onto the Publisher, automatically and free of charge, the entire copyright and related rights to publish and distribute the sent materials – in all publishing forms, both those currently known and those that might be potentially developed in the future. We hereby declare that we transfer onto the Publisher, automatically and free of charge, any other manner of dissemination of this paper, through all fields of exploitation, both those currently known and those that might be potentially developed in the future. We transfer these rights on condition that this manuscript has been accepted for publication and subsequently published. As the same time, we hereby declare that we will not present this manuscript for publication anywhere or in any language without previous written consent by the acquirer of the copyright, i.e. the Publisher.

The Corresponding Author has the right to grant on behalf of all authors and does grant on behalf of all authors, a non-exclusive, worldwide licence to the Logforum and its licensees in perpetuity, in all forms, formats and media (whether known now or created in the future), to:

- publish, reproduce, distribute, display and store the Contribution,
- translate the Contribution into other languages, create adaptations, reprints, include within collections and create summaries, extracts and/or, abstracts of the Contribution,
- create any other derivative work(s) based on the Contribution,
- to exploit all subsidiary rights in the Contribution,
- the inclusion of electronic links from the Contribution to third party material wherever it may be located;
- and, licence any third party to do any or all of the above.
